

**Yellow warning
Rain**

Between
00:00 Sat 31 Oct 2020 and
21:00 Sat 31 Oct 2020

Continuing periods of heavy rain on Saturday may lead to further flooding and disruption to transport.

What to expect

- Homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, causing a danger to life
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Some communities may be cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

Further details

Following wet weather across these areas on Thursday and Friday, further spells of heavy rain are expected during Saturday. An additional 20-30 mm can be expected widely with 40-60 mm across higher ground. Across some hills and mountains 80-100 mm may accumulate, particularly northwest Wales. Strong winds are likely with potential for leaf fall to exacerbate flooding in places.

✓ Low likelihood of medium impacts
